The following is an explanation of the information required to determine the eligibility of new applicants:

1. **Application** - It is essential that your application is filled out completely. Should any of the requested information not pertain to you, please leave it blank. Your application cannot be processed unless it is signed and dated. Each applicant (18 years and older) who will be occupying the apartment must fill out an application completely as well.
2. **Security Deposit**- EMG will be required to hold the apartment unit based upon this agreement and to perform significant work in reviewing the application and obtaining approval. It is agreed that the deposit is a reasonable estimation of the damages which will be sustained if Applicant fails to give written cancellation notice within 24 hours. **The security deposit is refundable during the application process if the application is not approved by EMG or if the applicant delivers written notice of cancellation in person, via email, or fax within 24 hours of application submittal.** Deposits cannot be used towards rent at any time during occupancy of the apartment home. As a requirement of acceptance, an additional deposit may be required if the minimum credit requirements are not met by all applicants.
3. **Application fee**- An application fee is required for each applicant over the age of 18 years. This is a non-refundable fee and must be received at the time of application. *Additional county searches based on applicant(s) address history may increase the cost of the application fee and can only be determined after the Credit & Criminal Report has been processed. - 5. Credit & Criminal Reports-** Simply Verified/Rentler provides us with credit and public record reports. A negative credit report may result in your application being denied or additional deposits may be required. Bankruptcies must be discharged for a minimum of one year and multiple bankruptcies may be cause for application denial. We will also complete a criminal background screening. Applicants will be asked to disclose any prior arrests, convictions, or pending criminal actions of all anticipated occupants and a criminal background check will be conducted. Failure to disclose criminal information is grounds for denial. Arrests and pending criminal actions will not be grounds for denial.

Convictions of any sort will be evaluated on an individualized basis. A review board will consider the nature and severity of the crime, along with how much time has passed since the criminal activity and/or the release from any imprisonment, parole, or probation. Persons who are listed on any sex offender list will be denied. It is unlikely that the following persons will be accepted: Persons who have a criminal conviction relating to manufacture or distribution of controlled substances; persons convicted of other drug related offenses who have not provided evidence of completed drug rehabilitation; persons who have convictions relating to serious crimes involving violence, gang activity, arson and injury to persons. Also, persons who have been recently released from prison, parole, or probation may be required to provide additional information and references. All applicants may provide additional information and references. Applicants may provide mitigating information. Applicants denied due to criminal history may appeal that decision by providing such appeal in writing, along with any information that the applicant desires to provide.
